hand delivered

Mike Anderson, Mayor
City of Lafayette
P.O. Box 1968
Lafayette, CA 94549

Dear Mr. Anderson:

It is with a great deal of pleasure that the Lafayette Community Foundation presents to the City of Lafayette the enclosed check of \$1,518,767.27 for the construction of the new Lafayette Library and Learning Center.

This gift has been made through the generosity of the Wayne and Gladys Valley Foundation specifically for the construction of the new library. The grant from the foundation was originally \$1.5 million, and the addition is the interest that has accrued until now, when it can be used to cover constructions costs.

The Wayne and Gladys Valley Foundation was an early supporter of this unique partnership between the City and the Community Foundation to create the new Lafayette Library and Learning Center to serve our residents with the special programming of the Glenn Seaborg Learning Consortium. Their original pledge showed a strong belief in the project, and then in turn helped in the raising of funds to meet and exceed our goal.

We ask that you also acknowledge receipt of the funds, and intended specific use for construction costs only to:

Michael D. Desler
Executive Director
Wayne and Gladys Valley Foundation
1939 Harrison Street, Suite 510
Oakland, CA 94612-3532

The Lafayette Community Foundation is most pleased to see the continuing progress of construction of the new library, and to have helped in this special project.

Most Sincerely,

Anne Grodin
Chair
